

Field set up for 9 v 9 League

The information below is designed to assist with the first year of playing 9v9 within the indoor domes. The consistent approach to game organization and set-up will help make this new program a success, so please ensure that all team officials as well as parents are aware.

Field Setup

Team Benches and Coach's Responsibility

- Team benches are placed in the middle of the fields, with spectators remaining on the opposite side.
- Team coaches are responsible for ensuring the field set-up is correct, and their area is marked off

Thank you in advance for your help and cooperation.
